"A Permanent Record": September 6 - November 19

Celebrated, Austin, TX-based artist Heidi Pitre originally from New Orleans returns to Odessa with her exhibit of library card art, "A Permanent Record", which brilliantly repurposes vintage library cards into unique artworks that celebrate the written word. "A Permanent Record" is a series of artwork on vintage library borrower cards from books that date back as far as 1927.

Pitre's work will be exhibited at the Ector County Library from September 6 - November 19. A special reception will be held for Pitre as well as new library Director Howard Marks on Friday, September 16th at 5:30pm on the first floor of the Ector County Library. Pitre will also hold a library card art workshop on Saturday, September 17th at 2pm at the Ector County Library.
The reception and the workshop are both free of charge & open to the public.
