Who are the Friends and what do we do?

We are a group dedicated to promoting and supporting the programs and services of the Ector County Library. As a nonprofit 501(c)(3) organization, we advocate for the library within the community.

- ◆ We sort donations for the Book Nook, hold book sales, and provide financial support for projects like the Summer Reading Program.
- ◆ We encourage gifts and memorials for the library and boost public awareness of the library's value to the community.

Who can be a Friend and what's in it for you?

Parents and grandparents, educators and entrepreneurs, artists and storytellers, bookworms and practical problem-solvers — all are welcome. A diverse group will represent a diverse community. If we are missing someone, it just might be **you**.

- ◆ As a member, you have the opportunity to strengthen and enhance the library and build a better community.
- ◆ You will meet others who share similar interests, maximizing your enjoyment of the library.
