Meet Angie Gaule

How many years with ECPL: 11

Your position: AV Librarian

Why you got into libraries: I spent 27 years with Waldenbooks, about 8 with Hastings, and my family owned The Double Read Bookstore. There aren't that many other places in Odessa with books, so here I am!

Favorite part of your job: Helping people find just the right book.

What you like most about interacting with the public: Each day is different. Sometimes, I learn more about new books from the patrons than they learn from me.

What are you reading right now? Fate Breaker by Victoria Aveyard in physical copy, Gauntlet by John G. Doyle on my e-reader, and Michelle West sends half a chapter a week to her fans of her new book, The Wild Road, as she's writing it.

Favorite hobby? Uh, reading. I don't really have time for other hobbies.
