Meet Natalie

How many years with ECPL: 8 months

Your position: Library Clerk II

Why you got into libraries:

To escape the harsh reality of the outside world. What other job lets you ponder life's mysteries?

Favorite part of your job:

Researching. Love creative problem-solving. It's great that there are so many resources to help find what you are looking for at our library.

What you like most about interacting with the public:

Listening to patrons. Whether it is venting their opinions, life lessons, or what obstacles they are facing. Some people just want to be heard. Makes them feel better.

What are you reading right now?

Peace is Every Step: The Path of Mindfulness in Everyday Life by Thich Nhat Hanh. I'm into books that make you think.

Favorite hobby?

Photography challenges. Oh, and Pinterest of course!
