Get to Know Us!

Meet Maria!

How many years with ECPL: I've been here since October 2023.

Your position:

I am a clerk in the Children's Department.

Why you got into libraries:

Libraries have always been my thing. My mom used to take us when we were young and it is something I used to do with my kids. Being able to check out books and movies really helped out back then. I enjoy reading and there is just something about the feel of a book in my hands. Audiobooks are pretty awesome as well and I can get them through the library too.

Favorite part of your job:

I love a lot of things about my job at the library but if I have to pick a favorite it would be craft time after story time. It's fun to see all the creations from our younger patrons.

What you like most about interacting with the public:

We have so many wonderful patrons that come to our department, but the happiness from some of them when I help them find a book they want to read is unmatched.

What are you reading right now?

I am currently reading one of the most popular series recommended by our patrons, Warriors by Erin Hunter.

Favorite hobby?

Most any kind of crafting but primarily creating junk journals.
