## MEET SUNEEL

### How many years with ECPL:

I have been with the Library for one year and with Ector County for almost four.

### Your position:

I am currently the Information Technology Administrator for the Library.

### Why you got into libraries:

After retiring from the Marine Corps, a position opened at the Library in 2023 that allowed me to use my skills as a Marine Communicator to continue giving back to the public.

### Favorite part of your job:

I enjoy interacting with my coworkers and learning about all aspects of Library Services which I had absolutely no knowledge of prior to working here.

### What you like most about interacting with the public:

Being able to see people from all walks of life and using what I learned in the Marine Corps to help them in any way that I can.

### What are you reading right now?

Right now, my Son and I are currently reading "Tales of an 8-bit Kitten" (Lost in the Nether) Which follows Eebs, the noobiest cat in all of Minecraft.

### Favorite hobby?

I love painting with calligraphy inks and spending time with my wife and three kids.
